

Drug Policy for the Future

31 May – 1 June 2023

During the Swedish presidency of the EU Council of Ministers, the Drug Policy for the Future conference will be held in Stockholm. An international conference, that from a global perspective, sheds light on the drug issue with a focus on Sweden and Europe.

The starting point for Sweden's presidency is the UN Agenda 2030 and the Sustainable Development Goals. Objective 3, on good health and well-being, emphasizes that efforts to prevent and treat substance abuse need to be strengthened – and based on this, the Drug Policy for the Future conference is arranged during Sweden's presidency.
